

Musical Theater

Jan 5 – March 8 (10 weeks plus dress rehearsal March 3 4:00-6:00)

1 Show Scheduled one of the following dates March 10 6:00pm

Children of all abilities are proud to be a part of our polished mini-productions of musicals that are fun, challenging, and engaging. Cast members learn to develop character, vocal technique, presentation, and dance skills. The plays lasting about an 40 minutes with about 5-8 songs. Participants are expected to study their lines, songs, at home with their parents and to attend all rehearsals. In addition, parents support the quality of our productions by volunteering a 2-4 hours of time around the show time helping with scene changes, costume changes, and stage set up. Costumes are supplied. Children do not have to know how to read. Children will receive a script and a cd with their songs. If some of the kids do not know their lines by show time, they will be whispered to them from off stage. At this age we want the kids to experience doing a musical with costumes, lights, and microphones on stage but not have the stress of making it perfect.
